American Dreams

John Jakes

American Dreams John Jakes

John Jakes continues the fascinating story of the Crown family dynasty in Chicago. Moving from 1906 to 1917, *American Dreams* brings to life a brash young nation taking its place on an international stage as the children of the German-immigrant Crown family prepare themselves for the excitement of a new century. As Fritzi Crown becomes a movie star, her younger brother Carl seeks greater thrills in flying planes while their cousin Paul finds his destiny filming the destruction wrought by World War I to show Americans back home. From the early carefree days of a new century to the stark realities of the first world war, *American Dreams* careens through a decade of change and the men and women who colored a nation's future. As he has in his previous bestsellers, John Jakes combines deep historical research with a powerful story peopled by characters both vivid and memorable. *American Dreams* once again brings Jakes' legions of readers the drama and passion that are his hallmarks.

- * Fans have eagerly been waiting five years for the sequel to *The New York Times* bestselling *Homeland*.
- * John Jakes' meticulous research make his sagas authentic in historical detail.
- * John Jakes has had thirteen books on *The New York Times* bestseller list.
