**The Japanese Police System Today: A Comparative Study: A Comparative Study (East Gate Book)** L. Craig-Parker

What role do their respective police systems play in the very different crime rates of Japan and the United States? This study draws on direct observation of Japanese police practices combined with interviews of police officials, criminal justice practitioners, legal scholars, and private citizens. It compares many Japanese police practices side by side with U.S. police practices, and places the role of the police in the broader cultural and historical Japanese framework.
