A new title in the series of beautifully illustrated and easy-to-follow practical guides covering all the essential phases of childcare.

The different stages of weaning can be confusing, from reading a child's signs to introducing solid foods. And once your child reaches toddlerhood, the trouble doesn't stop - the psychological battles of getting your toddler to eat well can be a daily struggle. This comprehensive illustrated guide offers practical guidance and clear guidelines to help you establish what's suitable at different ages, when and how to feed them, and how to create good feeding habits in your baby and your toddler, making mealtimes a better place.
