Would you risk everything to obey God? The Fish and the Coin, by new author Jamie Dunton, introduces the story of a doubtful fish with great responsibility. He faces fear, a heavy burden, and even the possibility of death to be obedient to God. The Fish and the Coin will open readers' eyes to a seldom-thought-about story from Matthew 17.

This is an eLIVE book, meaning each printed copy contains a special code redeemable for the free download of the audio version of the book.

### From reader reviews:

#### Jeff Puckett:

Why don't make it to become your habit? Right now, try to ready your time to do the important work, like looking for your favorite reserve and reading a e-book. Beside you can solve your condition; you can add your knowledge by the reserve entitled The Fish and the Coin. Try to stumble through book The Fish and the Coin as your buddy. It means that it can to become your friend when you feel alone and beside that of course make you smarter than before. Yeah, it is very fortunated for you personally. The book makes you far more confidence because you can know anything by the book. So , let me make new experience and knowledge with this book.

#### Sharon Stennis:

What do you ponder on book? It is just for students because they're still students or it for all people in the world, the actual best subject for that? Only you can be answered for that problem above. Every person has different personality and hobby for every other. Don't to be compelled someone or something that they don't would like do that. You must know how great and also important the book The Fish and the Coin. All type of book can you see on many solutions. You can look for the internet methods or other social media.

#### Gilbert Westmoreland:

What do you about book? It is not important with you? Or just adding material if you want something to explain what the one you have problem? How about your extra time? Or are you busy person? If you don't have spare time to do others business, it is make you feel bored faster. And you have extra time? What did you do? Every person has many questions above. They should answer that question simply because just their can do that will. It said that about e-book. Book is familiar in each person. Yes, it is proper. Because start from on kindergarten until university need this kind of The Fish and the Coin to read.

#### Jay Klein:

In this 21st hundred years, people become competitive in most way. By being competitive currently, people have do something to make all of them survives, being in the middle of the crowded place and notice simply by surrounding. One thing that often many people have underestimated the idea for a while is reading. Yeah, by reading a e-book your ability to survive boost then having chance to stand up than other is high. In your case who want to start reading a new book, we give you this The Fish and the Coin book as starter and daily reading reserve. Why, because this book is usually more than just a book.
