Gum, Geckos, and God: A Family's Adventure in Space, Time, and Faith James S. Spiegel

James Spiegel never realized what challenges and adventures he would face in talking about God with his own children.

Can we hug God? Will geckos go to heaven? Was Jesus fun to be around? Does God know how many spiders there are in all the basements in the world? These are just a few of the questions that Spiegel has fielded in conversations with his sons Bailey and Sam.

Every devout Christian wants to understand God and his ways more fully. But even the fundamentals of faith are layered with profound mysteries. In his teaching and writing, Spiegel deals with these complexities every day. But nothing quite prepared him for the honesty, hilarity, and depth of revelation that he has found in conversations about God with his boys.

Gum, Geckos, and God is fascinating and fun. As you read, you'll step into a new depth of Christian doctrine as you come to know and enjoy the Spiegel family and follow their journey of spiritual growth. Here is a uniquely incisive look into the most complex issues of faith in a way that's absorbing, engaging, and highly personal.
