## Modern Monsters (Entangled Teen) Kelley York

Vic Howard never wanted to go to the party. He's the Invisible Guy at school, a special kind of hell for quiet, nice guys. But because his best friend is as popular as Vic is ignored, he went...

And wished he hadn't.

Because something happened to a girl that night. Something terrible, unimaginable, and Callie Wheeler's life will never be the same. Plus, now Callie has told the police that *Vic* is responsible. Suddenly, Invisible Vic is painfully *visible*, on trial both literally, with the police, and figuratively, with the angry kids at school. As the whispers and violence escalate, he becomes determined to clear his name, even if it means an uneasy alliance with Callie's best friend, the beautiful but aloof Autumn Dixon.

But as Autumn and Vic slowly peel back the layers of what happened at the party, they realize that while the truth can set Vic free, it can also shatter everything he thought he knew about his life...
