Air Vol. 1: Letters from Lost Countries G. Willow Wilson

Ladies and gentlemen, there's been a change in our flight plan. You may have heard of a group called the Etesian Front -- vigilantes dedicated to taking the skies back from terrorism. Sounds like a noble cause, right? But there's more to them than meets the eye. They're after someone I know. Someone who is either an average frequent flier -- or a terrorist. And he's got a secret. Something that will change the way we fly -- and the way we see technology -- forever.

To find him, we've altered course. We're en route to a country that doesn't exist on any maps. Only one person knows how to get us there: me. My name is Blythe, and I'll be your stewardess today. So buckle your seatbelts -- this will be the flight of your life.
