Escenas no incluidas (Spanish Edition)

Alberto. Vital

Escenas no incluidas (Spanish Edition) Alberto. Vital

Novela que juega con las posibilidades de uno de los géneros característicos del siglo XXI: los retazos de película descartados por los directores y rescatados por los editores en la sección de Bonus o de Extras de los DVD. Novela que afronta uno de los temas centrales del mundo contemporáneo: la recomposición de poderes legales, formales, informales, ilegales, que ha hecho saltar por los aires la vieja división tripartita de Montesquieu y de otros clásicos en el estudio de la conformación de las fuerzas reales en la historia humana. Novela que cuenta la insólita y no pocas veces contradictoria vida interior de un artista de la palabra en el contexto del nacimiento de nuevos géneros simbólicos y de nuevos poderes mundanos.
