C. K. Williams

## **Flesh & Blood: Poems** C. K. Williams

*Flesh & Blood*, the fifth collection by C. K. Williams, was awarded the 1987 National Book Critics Circle Award for Poetry. Reviewing it in *The New York Times Book Review*, Edward Hirsch noted that the book's compression and exactitude gave it "the feeling of a contemporary sonnet sequence." Hirsch added: "Like Berryman's *Dream Songs* or Lowell's *Notebooks*, Mr. Williams's short poems are shapely yet open-minded and self-generative, loosely improvisational though with an underlying formal necessity."
