Introducing Management Kate Williams

Now fully revised and in its third edition, this comprehensive best-selling text, *Introducing Management: A Development Guide*, explains the principles and practice of management and is ideal for both new and existing managers to assist them in their role. The text incorporates the latest innovations in management thinking and reflects the changes within the management standards. This is an essential resource for those undertaking qualifications at S/NVQ at Level 3.

The learning development is clearly structured in each chapter to include:-

Objectives, Insights, Case Studies, Examples, Review Your Learning, Back to Work, allowing the user to check their understanding and apply the concepts and principles to their own work situation.
