The Edge of Night Jill Sorenson

To support her small daughter, April Ortiz does what she has to do—which means waiting tables in a skimpy outfit at a popular nightclub in Chula Vista. When one of her co-workers is murdered, April does what she knows she shouldn't—she defies the neighborhood code by talking to the police about a dangerous suspect.

Clean-cut cop Noah Young wants a shot at breaking this case more than anything in the world—that is, until he meets April. A spark ignites between them, threatening his job and her peace of mind. As the heat intensifies, the two are dragged down further into the dark mysteries of the graffiti-lined streets, taunted by a crazed killer who could strike again at any time.
