The Prince's Texas Bride (Royal Babies series) Leanne Banks

When Eve Jackson was offered her dream job—stable master for the tiny Mediterranean kingdom of Chantaine—it was an opportunity she couldn't pass up. The horses were as gorgeous as the scenery, but there was one problem: her handsome but infuriating boss, Prince Stefan.

Stefan was hell-bent on being a true ruler, unlike the generations of playboys that preceded him. But the feisty, formidable Texan he'd just hired proved quite a distraction. He'd never known a woman as challenging—or as irresistible. But this ordinary commoner was off-limits for Stefan...unless he'd finally met his royal match!
