McDrakken Warriors, #3

Seeking sanctuary for her people, an Ice Dragon Queen ensnares a Captain of the Guard.

On a boring reconnaissance flight for his laird, Captain of the Guard Taggert Stuart spots a pale dragon under attack by wraiths. After the rescue, he learns the dragon hails from the northlands of the Ice Dragons and is their Queen.

Fleeing the destruction of her home, Ice Queen Kristjana McDrakken races to Scotland to seek sanctuary from Laird Liam McDrakken. Sensual feelings flare between Queen and Captain. Both ply for leadership in the bedroom, but an Ice Queen may only mate another with Ice in their bloodline. This doesn't bode well for a dragon with Fire in his blood.

In the midst of anger, can these two find a way to blend the bloodlines?

Content Warning: A petite Queen who demands all in the bedroom from an Alpha warrior. An Alpha warrior who may or may not bend to her demands. No matter who tops, the results are hot, sweaty, steamy sex.
