## **Melting Melinda** Mia Watts

*Melinda's ignored her attraction to her best friend's son, Ethan, for years. Now he's grown up and not taking no for an answer. Can she fight her attraction and his?*

Melinda knows there are some lines you just don't cross. Having erotic thoughts about her best friend's son is one of those lines.

Ethan isn't a child and neither is his crush on the one woman who's been off limits. It only takes one look, one ragged breath, for Ethan to call her bluff.

*Reader Advisory: This story has been previously released as part of the Cougars and Cubs anthology by Total-E-Bound*

### From reader reviews:

#### **Eric Campbell:**

Melting Melinda can be one of your nice books that are good idea. We recommend that straight away because this publication has good vocabulary that could increase your knowledge in vocab, easy to understand, bit entertaining but delivering the information. The author giving his/her effort that will put every word into pleasure arrangement in writing Melting Melinda but doesn't forget the main stage, giving the reader the hottest in addition to based confirm resource facts that maybe you can be certainly one of it. This great information may drawn you into completely new stage of crucial thinking.

#### **Daniel Rogers:**

Your reading 6th sense will not betray anyone, why because this Melting Melinda book written by well-known writer who really knows well how to make book that may be understand by anyone who have read the book. Written throughout good manner for you, still dripping wet every ideas and producing skill only for eliminate your current hunger then you still question Melting Melinda as good book not merely by the cover but also by the content. This is one guide that can break don't determine book by its include, so do you still needing another sixth sense to pick this!? Oh come on your examining sixth sense already told you so why you have to listening to an additional sixth sense.

#### **Johnny Ballance:**

You could spend your free time to read this book this guide. This Melting Melinda is simple to bring you can read it in the playground, in the beach, train and also soon. If you did not possess much space to bring the particular printed book, you can buy often the e-book. It is make you better to read it. You can save the book in your smart phone. So there are a lot of benefits that you will get when one buys this book.

#### **Blake Darden:**

As a student exactly feel bored to be able to reading. If their teacher asked them to go to the library or make summary for some publication, they are complained. Just tiny students that has reading's heart or real their passion. They just do what the instructor want, like asked to the library. They go to presently there but nothing reading very seriously. Any students feel that reading is not important, boring and also can't see colorful photos on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this Melting Melinda can make you sense more interested to read.
