There are so many things scattered around us which we use everyday without giving a single thought about their origin. Have you ever wondered where have these things come from? Think of that pen in your hand - it has not fallen from the sky into your hand, or that television which entertains you, was not there when this earth was formed. The eraser, pencil, shoes, chair, table and there are so many other things in our lives which are the successful outcome of research going on for centuries. Tremendous hard work and dedication of many inventors and discoverers has gone into making these things.
