**Thinking Critically About Child Development: Examining Myths and Misunderstandings** Jean A. Mercer

In the updated **Third Edition** of **Thinking Critically About Child Development**, previously titled *Child Development: Myths and Misunderstandings*, Jean Mercer offers 59 essays that confront popular misconceptions and fallacies about the field. Intriguing vignettes and critical thinking questions frame each essay, encouraging readers to think like social scientists and become better consumers of media messages and anecdotal stories. Timely topics and DSM-5 references make the book an engaging supplement for both chronologically and topically arranged child development texts.
