Hercules is drawn into the conflict between two neighboring towns only to discover that the source of the conflict appears to be Hercules himself.

As he struggles to undo the damage done by an imposter acting under the influence of powerful sources, Hercules finds allies in the most unlikely places. But will this be enough to avert an all-out war?

Based on the hit television series created by Christian Williams, *The First Casualty* continues the legendary journeys of Hercules—a hero who possesses a strength the world has never seen . . . a strength surpassed only by the power of his heart.
