Living the Fantasy

Kathy Lyons

Living the Fantasy Kathy Lyons

PR representative Alicia Flores is fed up. Her job is a dead end, her love life is nonexistent and life is pretty much...well, boring. So when she's unexpectedly offered a chance to play a character from a video game—the warm and sensuous Queen Guinevere—for a promotional tour, Alicia decides to toss her shy-gal persona...and play her new part to perfection!

What she's not expecting is sinfully delicious video-game guru Ken Johnson—a rare breed of nerd who is hot, successful and *damn* sexy. And he knows just how to coax the sexy vixen in her out to play! As late-night pleasures take center stage, Alicia finds herself pulled further into Ken's sinful world of make-believe. But can she give up the fantasy when it's time to return to the real world?

From reader reviews:

Kimi Frantz:

Nowadays reading books are more than want or need but also get a life style. This reading practice give you lot of advantages. Associate programs you got of course the knowledge even the information inside the book in which improve your knowledge and information. The info you get based on what kind of guide you read, if you want drive more knowledge just go with training books but if you want sense happy read one using theme for entertaining including comic or novel. The particular Living the Fantasy is kind of reserve which is giving the reader unstable experience.

Yvonne Matz:

People live in this new time of lifestyle always attempt to and must have the extra time or they will get great deal of stress from both way of life and work. So , when we ask do people have spare time, we will say absolutely indeed. People is human not only a robot. Then we ask again, what kind of activity do you possess when the spare time coming to anyone of course your answer may unlimited right. Then do you try this one, reading ebooks. It can be your alternative within spending your spare time, the book you have read is actually Living the Fantasy.

Janelle Coe:

That e-book can make you to feel relax. That book Living the Fantasy was vibrant and of course has pictures around. As we know that book Living the Fantasy has many kinds or category. Start from kids until young adults. For example Naruto or Investigation company Conan you can read and think you are the character on there. So , not at all of book usually are make you bored, any it offers you feel happy, fun and relax. Try to choose the best book for yourself and try to like reading this.

Leon Bailey:

Some people said that they feel weary when they reading a e-book. They are directly felt that when they get a half elements of the book. You can choose often the book Living the Fantasy to make your own reading is interesting. Your skill of reading skill is developing when you just like reading. Try to choose very simple book to make you enjoy to learn it and mingle the feeling about book and looking at especially. It is to be initially opinion for you to like to open up a book and read it. Beside that the guide Living the Fantasy can to be a newly purchased friend when you're experience alone and confuse using what must you're doing of this time.
