Every year, thousands of college students invade Washington, D.C. and the fifty state capitals to volunteer as political interns. Unfortunately, they are rarely able to “hit the ground running,” lacking the tools to help them do so. *The Insider's Guide to Political Internships* provides those tools. The book highlights internships on Capitol Hill, at the White House, in the executive branch, at the state level, in the Congressional district office, and at non-profit groups.
