*In a world of shadows, a pure heart can be the most dangerous weapon of all.*

*The Shadow Slayers, Book 3*

Kara has been training for months to help take down Brakken—the merciless black-wing who is making life hell for the Demiäre. But when Julian discovers a scout has been tracking Kara, he wants her out of the fight—even if it means breaking her heart in the process.

Gavin isn't much better. He's already lost so much to Brakken and has no intention of allowing the woman he loves to be the next sacrifice. He and Julian have their hands full trying to fight Brakken's army and keep Kara safe, especially after her recent visit to the mythical white-wings. Since her return, she's been acting decidedly...strange.

With a terrible battle looming, Kara doesn't have time to think about her conflicted feelings for Gavin and Julian—or the fact that she's developed an unnatural taste for Gavin's blood. But if she thought it was complicated evading mysterious scouts and fending off vicious black-wings, she's learning that's nothing compared to loving two strong-willed men.

Warning: This book contains angels that aren't what they seem, a heroine with mad midwifery skills, and a metamorphosis that will change life as we knew it.
