Daughters Gone Wild, Dads Gone Crazy: Battle-Tested Tips From a Father and Daughter Who Survived the Teenage Years Charles Stone, Heather Stone

Fifteen psychologists, twelve secondary schools, four expulsions, four rehabs, two house-arrests and innumerable arguments... the cast and plot line for a season's worth of *Law and Order*? No. This was the real-life drama of Heather Stone's adolescence. Now in college, Heather, the once rebellious teen, has sat down with her father to pen an insider's guide for parents and teens alike.

Charles and Heather don't offer Cleaver family ideals or promise *Brady Bunch* thirty-minute solutions. They, instead, share the realities of their 6-year nightmare, in the hopes of fostering hope for the millions of families trying to survive the years from thirteen to eighteen. Replete with faith, honesty, and practicality, it offers readers nine practical lessons and provides a compass for even the worst tempests of teen rebellion.
