Diccionario etimológico del lunfardo (Spanish Edition)

Oscar Conde

Diccionario etimológico del lunfardo (Spanish Edition) Oscar Conde

Este diccionario de lunfardo, con casi seis mil entradas, es el único que da cuenta de la etimología de los vocablos y resulta incomparable por su rigor científico, lo que redundará en una mayor claridad y facilita las búsquedas.

La palabra lunfardo, que en su origen significó "ladrón" define un extenso vocabulario que nació en las ciudades rioplatenses y se extendió luego al resto del país y a las naciones limítrofes hasta instalarse definitivamente en nuestra habla cotidiana.

Las palabras que usamos son mucho más que un medio de comunicación: en su conjunto reflejan un modo de ver el mundo, de categorizar la realidad, de entenderla, en suma, de vivirla. Y sólo nacen cuando el hablante no tiene otras mejores para expresar lo que quiere decir. Los lunfardismos no escapan a esta ley, y constituyen un potente caudal que enriquece nuestro idioma y contribuye de manera indiscutible a construir nuestra identidad.

La presente edición, corregida y aumentada, incorpora nuevas acepciones de términos ya registrados y añade voces que no contaban con registro hasta la fecha, como cachengue, ladri, roche, tarlipés y viejazo, entre otras.
