Summer of Sloane

Erin L. Schneider

Summer of Sloane Erin L. Schneider

Warm Hawaiian sun. Lazy beach days. Flirty texts with her boyfriend back in Seattle.

These are the things seventeen-year-old Sloane McIntyre pictured when she imagined the summer she'd be spending at her mom's home in Hawaii with her twin brother, Penn. Instead, after learning an unthinkable secret about her boyfriend, Tyler, and best friend, Mick, all she has is a fractured hand and a completely shattered heart.

Once she arrives in Honolulu, though, Sloane hopes that Hawaii might just be the escape she needs. With beach bonfires, old friends, exotic food, and the wonders of a waterproof cast, there's no reason Sloane shouldn't enjoy her summer. And when she meets Finn McAllister, the handsome son of a hotel magnate who doesn't always play by the rules, she knows he's the perfect distraction from everything that's so wrong back home.

But it turns out a measly ocean isn't nearly enough to stop all the emails, texts, and voicemails from her ex-boyfriend and ex-best friend, desperate to explain away their betrayal. And as her casual connection with Finn grows deeper, Sloane's carefree summer might not be as easy to come by as she'd hoped. Weighing years of history with Mick and Tyler against their deception, and the delicate possibility of new love, Sloane must decide when to forgive, and when to live for herself.

From reader reviews:

Lewis Lin:

Book will be written, printed, or created for everything. You can realize everything you want by a e-book. Book has a different type. We all know that that book is important factor to bring us around the world. Alongside that you can your reading skill was fluently. A book Summer of Sloane will make you to possibly be smarter. You can feel far more confidence if you can know about almost everything. But some of you think that open or reading any book make you bored. It is not necessarily make you fun. Why they could be thought like that? Have you trying to find best book or suitable book with you?

Lester Jaworski:

What do you ponder on book? It is just for students because they are still students or that for all people in the world, what best subject for that? Just simply you can be answered for that query above. Every person has various personality and hobby for every single other. Don't to be obligated someone or something that they don't want do that. You must know how great and also important the book Summer of Sloane. All type of book is it possible to see on many options. You can look for the internet options or other social media.

William McClanahan:

As people who live in the particular modest era should be change about what going on or details even knowledge to make these people keep up with the era which is always change and move forward. Some of you maybe can update themselves by looking at books. It is a good choice to suit your needs but the problems coming to an individual is you don't know what type you should start with. This Summer of Sloane is our recommendation to cause you to keep up with the world. Why, as this book serves what you want and wish in this era.

Marylou Arroyo:

Does one one of the book lovers? If yes, do you ever feeling doubt when you are in the book store? Try and pick one book that you never know the inside because don't determine book by its cover may doesn't work here is difficult job because you are frightened that the inside maybe not because fantastic as in the outside search likes. Maybe you answer is usually Summer of Sloane why because the excellent cover that make you consider concerning the content will not disappoint an individual. The inside or content is usually fantastic as the outside or perhaps cover. Your reading sixth sense will directly direct you to pick up this book.
