## **Una specie di solletico (Italian Edition)** Kociss Fava

L'attesa di una nascita non appartiene soltanto ai genitori, ma anche al bambino che il loro amore ha chiamato al mondo.

Molly – non si sa ancora se sia maschio o femmina – vive contemporaneamente in un “cerchio” con tanti altri bambini non ancora nati e nel grembo della sua mamma.

Il cerchio è un luogo d'incanto dove il cuore di Molly comincia a pulsare, è come “un vaso da riempire con un po' di roba buona” e intanto, mentre si forma, il piccolo prepara una collana di fiori per il suoi genitori, sotto la guida della colomba Macchiolina.

Inpara tante cose, il cuore di Molly, ma dovrà dimenticare tutto, per arrivare sgombro e pulito al mondo, quando “una specie di solletico”, le contrazioni della mamma, gli faranno capire che è ora di nascere. E il bimbo sarà come un vaso da modellare, richiederà tante rielaborazioni e tante cotture.

Una storia commovente, poetica e delicata, seguita dalla cronaca “vera” della nascita della sua bimba, scritta con amore da un giovane papà.
