**Alive to the Word** Stephen I. Wright

In *Alive to the Word* Stephen Wright offers a constructive introduction to preaching as an existing and varied practice throughout the church on which it is important to continue to reflect theologically, so that it is executed with developing spirituality, understanding and skill. *Alive to the Word* includes discussion of the full range of key components in the understanding and practice of preaching - from its basic theological rationale right through to the dynamics of live communication and its aftermath. The book begins by reflecting on the nature and the context of preaching, not least in a communications culture and moves on to setting a constructive agenda for the development of preaching as a core practice of the Christian church for the preacher, the congregation and the wider church.
