Russia in Transition

David Lane

Russia in Transition David Lane

An accessible book covering the momentous changes that have occurred, and are still occurring, since the fall of the USSR in 1989. Contributions from an impressive collection of authors are drawn from the most recent and original research available and address political and social issues which impact on all levels of Russian society. The book consists of a selection of specially commissioned pieces which have evolved from the conference of the same name, held at Cambridge University in December 1994.
