When Mitchell Owen's first and best crush Delilah disappears, Mitchell finds himself the guest at a very strange party, whose hosts know more than a little about Mitchell's burning love, and may know just a bit too much about what happened to the beautiful Delilah. From *Monstrous Affections*, this tale is part of Stoker Award-winner David Nickle's collection of short fiction about love in all its horrific proportions.

ChiZine Publications (CZP) curates the best of the bizarre, bringing you the most excitingly weird, subtle, dark, and disturbing literary fiction. Look for more titles in the ChiZine short stories collection to build your digital library.
