Francisco Javier Gómez Tarín

Wong Kar-wai: Grietas en el espacio-tiempo (Cine) (Spanish Edition) Francisco Javier Gómez Tarín
El cine de Wong Kar-wai, el autor de *Deseando amar*, fluye a través de vasos comunicantes que trazan rutas sinuosas y alejadas de la linealidad característica del modelo cinematográfico hegemónico. Este libro, uno de los primeros editados en nuestro país sobre el conjunto de su obra, se propone identificar los parámetros que han convertido al autor hongkonés en referente indiscutible del cine mundial de los últimos tiempos. Las películas de Wong nunca ponen a nuestra disposición una totalidad compacta y sin fisuras que nos ahorre la tarea de la interpretación. Al instaurar grietas en el espacio-tiempo, al detenerse siempre en la antesala del acontecimiento, el realizador de 2046 obliga, por el contrario, a cultivar un arte de estar alerta no sólo a la materialidad de la pantalla, sino al mundo de sensaciones y de sentimientos que esa forma sutil de hacer cine (destilado perfecto del arte de Bresson y de la encrucijada de las Tres Chinas en el nuevo milenio) despierta en nuestro interior.
