The answers remain fun and easy, and author Elizabeth Sims will take your hand, dispel your worries, and show you how it's done in this stress-free guide to accomplishing your dream of writing your book.

In *You've Got a Book in You*, Elizabeth is that encouraging voice guiding you through the entire process, from finding the right time and place to gathering all of your creative tools to diving right in and getting it done--page by page, step by step. It's easier than you think, and it all starts right here, right now.

"This book is encouraging and inspiring, practical and witty. The 'writing blasts' are very helpful and will get any writer out of the starting blocks. I especially enjoyed 'Writing With the Masters.' Excellent advice that I plan to incorporate in my future classes. Sims is right that 'writer's block' is greatly exaggerated. Get yourself on a schedule, read some Sims, and you'll be on your way. You'll be glad you met this friend on your journey to becoming a successful writer."~**Gesa Kirsch**,
