**Autobiografia del Bambino Interiore (Italian Edition)** Renzo Samaritani  
le Lenzuola Azzurre

"E' molto importante avere una comprensione chiara e una visione positiva del Bambino interiore. Per tradizione, nella nostra cultura ai bambini è stata riservata una minore considerazione di quanta non ne sia stata riservata agli adulti e rispetto a questi ultimi sono stati considerati meno importanti e meno saggi. Da bambini, in genere, ci siamo sentiti impotenti; di conseguenza, spesso assimiliamo l'impotenza e l'essere privi d'importanza all'essere bambini.

Inoltre, poiché spesso siamo stati tacciati di essere cattivi e fonte di dispiacere, forse riteniamo che il nostro Bambino interiore sia soltanto un seccatore. Poiché da bambini non siamo stati veramente apprezzati, può risultare difficile apprezzare il bambino che è in noi.

E' possibile che l'importanza che gli riconosciamo sia scarsa, perpetuando in tal modo le nostre esperienze infantili e ingenerando un distacco al nostro interno che a sua volta alimenta il nostro sentimento di miseria. Comprendere e apprezzare il nostro Bambino interiore è essenziale per acquistare la nostra interezza."

Io l'ho imparato a mie spese, questa è una prima timida e riassunta versione. Seguirà molto di più nell'edizione riveduta e corretta che sto preparando e che uscirà fra qualche anno. Per informazioni rimanete in contatto con me.
