**Proverbios chinos para meditar (Spanish Edition)** A. Albertario, F. Feslikeniau

Los poetas chinos son los maestros indiscutibles de los pensamientos breves pero portadores de una filosofía generosa, sentencias cinceladas a la luz de la experiencia y del sentido común. Estos proverbios se remontan en su mayoría a épocas lejanas, pero son de una sorprendente modernidad. Maestros como Lao Tse, Confucio, Han Fei, Yang Chu tienen aún innumerables cosas que enseñarnos. La naturaleza, el hombre, los instintos, los sentimientos, el amor —por supuesto— y la justicia son temas esenciales evocados en esta antología que reúne las máximas y proverbios chinos más característicos. Se nos revela así la profunda sabiduría del pueblo chino, enriqueciendo nuestra reflexión sobre las grandes cuestiones de la vida y guiándonos siempre con acierto hacia la sencillez, la serenidad y la alegría de vivir.
