The Lost Art of Mixing Erica Bauermeister

National bestselling author Erica Bauermeister returns to the enchanting world of *The School of Essential Ingredients* in this luminous sequel...

Lillian and her restaurant have a way of drawing people together. There's Al, the accountant who finds meaning in numbers; Chloe, a budding chef who hasn't learned to trust after heartbreak; Finnegan, quiet and steady as a tree, who can disappear into the background despite his massive height; Louise, Al's wife, whose anger simmers just below the boiling point; and Isabelle, whose memories are slowly slipping from her grasp. And there's Lillian herself, whose life has taken a turn she didn't expect...

Their lives collide and mix with those around them, sometimes joining in effortless connections, at other times sifting together and separating again, creating a family that is chosen, not given. A beautifully imagined novel about the ties that bind—and links that break—*The Lost Art of Mixing* is a captivating meditation on the power of love, food, and companionship.
