Now that I've survived a DUI in Phoenix Arizona I'm moving on, I'm working to make that information available to folks who are walking the same road – regular people who ended up on the wrong side of a confusing and, at times, terrifying DUI Legal system.

In The Arizona DUI Survival Guide, you'll find the important details that you need to stay sane during the DUI and Tent City Jail process, and come out of the other side in the best possible position. The Ebook is chock full of important details –

A start to finish explanation of the Arizona DUI process, including details on the Arizona DUI legal system, common mistakes, and how things turned out for me.

A detailed narrative of the Tent City self surrender process and my time in tent city. You'll get an inside look at the Arizona DUI intake process, details of the facility, a look at who the other inmates are, what you can and should bring with you, and what you can do on the outside to make your time on the inside of Tent City more comfortable.

A clear explanation of how a DUI in Arizona can impact your life outside of the Arizona legal system – your job, your relationship with your family and friends, and what you can do to minimize that impact.
