Metamorphosis: My Journey of Faith Madeline Medina-González

Metamorphosis: My Journey of Faith shares one woman's spiritual journey using the analogy of the transformation of a caterpillar into a butterfly. As each stage in the caterpillar's metamorphosis serves a vital purpose, so too do these same stages in our spiritual lives. Through the recollection of her personal experiences of hardship, illness, abandonment, and other traumas and trying circumstances, author Madeline Medina-González illustrates her transformation within herself. In this memoir, she chronicles her struggles as a shy little girl who experienced fears, struggles, losses, illness, and feelings of abandonment. She became the victim of rape and then embarked on a self-destructive journey that lasted nearly twenty years. After years of failed relationships, keeping her distance from God and her family, she finally hit rock bottom—and it was then that she called out to God. In a miraculous turn of events, He heard her calling. Ultimately, she found salvation in God and her journey of faith. A long journey that led her into God's arms, where she experienced forgiveness, mercy, grace, healing, and His unconditional love. Most of all, Metamorphosis is the story of Madeline Medina-González's transformation from sadness to the love of God.
