Out of My Skin: A Novel John Haskell

Los Angeles. A would-be movie reviewer, looking for romance, takes an assignment to write a magazine article about celebrity look-alikes. After getting to know a Steve Martin impersonator, the writer decides to undertake his own process of transformation and becomes not Steve Martin but a version of him—graceful, charming, at home in the world. Safe in the guise of "Steve," he begins to fall in love. And that's when "Steve" takes over. Set in the capital of illusion, this is a story of one man's journey into paradise—and his attempt to come out the other side.
