*She's all he ever wanted*

Wedding consultant Renee Hart is finally ready to take the plunge...as creator of an innovative bridal magazine. Her own dreams of happily-ever-after were shattered when Carter Hampshire broke off their relationship without warning. Newly relocated to the Big Apple, Renee discovers that her former lover—more charismatic than ever—is now also her greatest rival.

Carter came home to New York to oversee his family's publishing empire. Finding out the woman who got away is working for the competition—in his own building, no less—doesn't deter him from his new mission. Four years ago, he thought he was doing the right thing by letting her go. Now all he wants is a second chance. But when the media-frenzied launch of *Designed for Brides* leads to accusations of industrial espionage, could Carter lose Renee again—this time forever?
