Franklin Classroom Management System: elementary school edition Mr Lazerrick M Franklin

This book is based on a young man who was a student, parent, and an employee of the Chicago Public School District (CPS). He offers his experience, knowledge, and skills on classroom management to the CPS, but this information can be applied to any school district. The goal of this book is to give teachers ideas and a system they can use to minimize behavioral issues in the classroom without involving school administration.
