Young children are invited to explore the wonders of America before bed with this beautifully illustrated boardbook. Simple, rhythmic language lulls little ones to sleep as they watch a diverse group of people engage in community-oriented activities and journey to some of the nation's majestic natural treasures—including the Everglades, Niagara Falls, the Grand Canyon, and redwood forests. Moving from the morning and spring through nighttime and winter, each image falls within a specific period during the day and an associated season, making this a perfect introduction to the concept of the passage of time.
