Hidden Power of Speaking in Tongues Mahesh Chavda

Almost 40 years ago John and Elizabeth Sherill introduced the world to the phenomenon of 'speaking in tongues' in their book, *They Speak with Other Tongues*. The book was an immediate success as thousands were touched by the power of this spiritual gift.

The *Hidden Power of Speaking in Tongues* again explores this spiritual experience powerfully prevalent in the early church. This much maligned and controversial gift was a practical part of their worship and intercession and seeks to be rediscovered in our day.

In a day of spiritual poverty, Chavda challenges the Body of Christ to experience afresh the secret dynamic of 'speaking in tongues', as he removes the veil covering this glorious gift.
