Memories Are Made of This June Francis

From one of the genre's best-loved names, an enthralling historical saga set in 1950s' Liverpool

Liverpool, 1954. Young Jeanette Walker often wonders what became of her mother who disappeared without trace during a wartime bombing raid thirteen years before. Was she killed outright, or did she run off with another man, as tyrannical Great Aunt Ethel insists? Embarking on a dual mission to find out what really happened to her mother and to track down the handsome stranger who came to her rescue, Jean is little prepared for the hornets' nest of family secrets and lies that her investigations will stir up.
