Journal of the Civil War Era: Spring 2011 Issue

The University of North Carolina Press and the George and Ann Richards Civil War Era Center at the Pennsylvania State University are pleased to announce the launch of *The Journal of the Civil War Era*. William Blair, of the Pennsylvania State University, serves as founding editor.

The journal takes advantage of the flowering of research on the many issues raised by the sectional crisis, war, Reconstruction, and memory of the conflict, while bringing fresh understanding to the struggles that defined the period, and by extension, the course of American history in the nineteenth century.

The Journal of the Civil War Era aims to create a space where scholars across the many subfields that animate nineteenth-century history can enter into conversation with each other.
