And I Have You: A Book of Mothers and Babies Maggie Smith

A celebration of a mother's love for her baby. Perfect for Mother's Day or a shower gift, with a padded cover and space for a personal photo.

A cat has her kittens, a dog has her puppies, a sheep has her lamb, and I have you.

This book celebrates the love between mothers and babies throughout the animal kingdom. Ducklings, piglets, foals, and fawns frolic through the pages. As our human baby grows from newborn to toddler, Mom offers the constant, comforting refrain:

Wherever you go, whatever you see, I'll always have you and you'll always have me.

Maggie Smith has created a classic first book for mothers and babies—a feast for the eyes and a hug for the heart.

From the Hardcover edition.
