Ciudad y educación social (Laboratorio de Educación Social) (Spanish Edition)

Antonio Rosa Palomero

Ciudad y educación social (Laboratorio de Educación Social) (Spanish Edition) Antonio Rosa Palomero
Huyendo del localismo y del comunitarismo, este libro impulsa la necesidad de conocimiento del territorio y del tejido urbano por parte de todo profesional que desee fomentar, promover e incitar nuevos recorridos culturales, sociales y educativos de los ciudadanos. Una mirada, por lo tanto, centrada en la oferta posible de la educación social como participante en aquello que, ya de por sí, pasa en la ciudad; y no tanto una educación social centrada en la dificultad, en el déficit, en el 'minus'. Al contrario, una apuesta por trabajar por el plus, contando con toda la ciudadanía, independientemente de las problemáticas, las clasificaciones y los indicadores de riesgo.
