Cop Culture: Why Good Cops Go Bad L. Scott Silverii PhD

Sworn to protect and serve, police officers who stray into deviant behavior may become a citizen's worst nightmare. A thoughtful examination of the formal and informal process of becoming blue, **Cop Culture: Why Good Cops Go Bad** is a unique combination of academic research based on Chief Scott Silverii's doctoral dissertation and more than two decades in law enforcement. The book seeks to answer the ultimate question: why do good cops become bad cops?

Demonstrating the highly seductive and overwhelmingly influential culture of policing, the book presents interviews and observations by officers from across the country that explore how individuals may devolve into an aberrant subcultural fraternity. Chief Silverii explains the damaging effects upon the officers' personal lives as they segregate from social and moral anchors and attach themselves to a lifestyle that may eventually bump up to criminality. Against the backdrop of the principles for organizational theory, acculturation, occupational socialization, and group culture, practical examples from real-life officers explain abstract ideals such as the "thin blue line" and the "code of silence."

This book is the first of its kind to combine an anthropological ethnography examining policing's cultural expectancies with real-life experiences. By exploring the subculture of policing in vivid detail, it exposes the causes behind the separation from organizational ideals and a false status of detrimental hegemonic entitlement. Chief Silverii's covert participant observations, semi-structured interviews, meta-analysis of relevant literature, and personal experiences provide readers with a scintillating panorama of this pervasive, destructive process. Chief Silverii also offers practical, proven solutions for creating a culture of change based on accountable, productive public service.

Chief Silverii was interviewed in January 2014 by TV station WAFB in Thibodaux, Louisiana.

Oh occur its mind hangout guys. What? Still don't buy it, oh come on its referred to as reading friends.

Blake Darden:

In this period globalization it is important to someone to receive information. The information will make you to definitely understand the condition of the world. The condition of the world makes the information much easier to share. You can find a lot of recommendations to get information example: internet, magazine, book, and soon. You can view that now, a lot of publisher that will print many kinds of book. The particular book that recommended to you personally is Cop Culture: Why Good Cops Go Bad this e-book consist a lot of the information of the condition of this world now. This specific book was represented just how can the world has grown up. The terminology styles that writer value to explain it is easy to understand. The actual writer made some analysis when he makes this book. Honestly, that is why this book acceptable all of you.

Scott Reisinger:

As a university student exactly feel bored to reading. If their teacher asked them to go to the library in order to make summary for some reserve, they are complained. Just tiny students that has reading's soul or real their pastime. They just do what the trainer want, like asked to go to the library. They go to presently there but nothing reading very seriously. Any students feel that reading through is not important, boring and also can't see colorful pics on there. Yeah, it is to get complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this Cop Culture: Why Good Cops Go Bad can make you really feel more interested to read.
