## **Craft Distilling: Making Liquor Legally at Home** Victoria Redhed Miller

Many people have experienced great success making their own beer or wine at home. In recent years a number of hobbyists have become interested in making distilled spirits. However, distilled spirits are more complicated to produce, and the process presents unique safety issues. In addition, alcohol distillation without a license is illegal in most countries, including the United States and Canada.

From mashing and fermenting to building a small column still, *Craft Distilling* is a complete guide to creating high-quality whiskey, rum and more at home. Experienced brewer, distiller, and self-reliance expert Victoria Redhed Miller shares a wealth of invaluable information including:

- Quality Spirits 101: Step-by-step recipes and techniques
- Legal Liquor: An overview of the licensing process in the United States and Canada
- Raising the Bar: Advocacy for fair regulations for hobby distillers

This unique resource will show you everything you need to know to get started crafting top-quality spirits on a small scale – and do it legally. Sure to appeal to hobbyists, homesteaders, self-sufficiency enthusiasts, and anyone who cares about fine food and drink, *Craft Distilling* is the ideal offering for independent spirits.
