In an era of fraud, corruption, and the relentless celebration of image over substance, the message of this perennial best-seller is more timely than ever. *Following Christ in a Consumer Society* offers a penetrating critique of the culture of consumerism, contrasted with the personalism of the Gospel. Addressing a soul-destroying culture in which ""having more"" has become the only measure of value, Kavanaugh reminds us of the values that truly make us human. Through the counter-cultural message of the Gospel, his book presents a diagnosis of our social ills while at the same time providing a guide back to wholeness, sanity, and spiritual health.
