Jean-Luc Nancy and the Question of Community (Bloomsbury Studies in Continental Philosophy)

Ignas Devisch

The question of community is central to our daily life: where do we belong to, what do we share with each other? The French philosopher Jean-Luc Nancy has made these questions one of the central topics of his oeuvre. *Jean-Luc Nancy and the Question of Community* is the first to elaborate extensively this question within Nancy. Ignas Devisch sketches the philosophical debate on community today and puts the work of Nancy within its intellectual context, from Heidegger and Derrida, to Bataille and Blanchot. Devisch argues that Nancy's work takes another look at community, at the social bond and at identity more generally than we are used to.
