La ciudad prohibida (Spanish Edition) Anchee Min

La historia de Orquídea, una joven de familia aristocrática venida a menos que, gracias a su belleza y talento, se convertirá de simple concubina en la última emperatriz de China.

A finales del siglo XIX la dinastía Qing está viviendo sus últimos días. La habilidad política de los antiguos emperadores se ha diluido en el arcaísmo de las estructuras de gobierno y las ambiciones colonialistas europeas. Solo el esplendor de la corte de Pekín conserva el atractivo de la antigua China imperial.

Este es el paisaje que sirve de telón de fondo a la historia de Orquídea, una joven de diecisiete años perteneciente a una familia aristocrática venida a menos que, gracias a su belleza y talento innatos, y a un gran poder de seducción, se convertirá, de simple concubina, en la última emperatriz de China.

Apoyada en una recreación meticulosa y fiel de la China imperial, *La ciudad prohibida* es el relato de una ambición condenada por la historia y el cautivador fresco de un mundo desaparecido.

Reseña:

«Min, superviviente de la Revolución Cultural china, ha realizado una prodigiosa búsqueda de documentación para capturar los gloriosos y desesperanzados últimos días de la dinastía Qing.»

From reader reviews:

Latasha Sutterfield:

Nowadays reading books be than want or need but also work as a life style. This reading habit give you lot of advantages. The huge benefits you got of course the knowledge the actual information inside the book that improve your knowledge and information. The data you get based on what kind of publication you read, if you want attract knowledge just go with training books but if you want feel happy read one with theme for entertaining for example comic or novel. Typically the La ciudad prohibida (Spanish Edition) is kind of reserve which is giving the reader unstable experience.

Donald Farrell:

Your reading 6th sense will not betray an individual, why because this La ciudad prohibida (Spanish Edition) book written by well-known writer who knows well how to make book which can be understand by anyone who read the book. Written inside good manner for you, dripping every ideas and publishing skill only for eliminate your own personal hunger then you still question La ciudad prohibida (Spanish Edition) as good book not only by the cover but also from the content. This is one e-book that can break don't evaluate book by its cover, so do you still needing a different sixth sense to pick this specific!?! Oh come on your reading through sixth sense already alerted you so why you have to listening to an additional sixth sense.

Grant Rickard:

Do you like reading a e-book? Confuse to looking for your preferred book? Or your book had been rare? Why so many concern for the book? But just about any people feel that they enjoy for reading. Some people likes reading through, not only science book and also novel and La ciudad prohibida (Spanish Edition) as well as others sources were given expertise for you. After you know how the truly amazing a book, you feel desire to read more and more. Science guide was created for teacher or students especially. Those textbooks are helping them to add their knowledge. In additional case, beside science e-book, any other book likes La ciudad prohibida (Spanish Edition) to make your spare time far more colorful. Many types of book like this.

Laura Ide:

As a scholar exactly feel bored to reading. If their teacher expected them to go to the library or to make summary for some guide, they are complained. Just small students that has reading's internal or real their pastime. They just do what the instructor want, like asked to the library. They go to generally there but nothing reading critically. Any students feel that reading through is not important, boring and can't see colorful photos on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this La ciudad prohibida (Spanish Edition) can make you sense more interested to read.
