[Siren Classic: Erotic Paranormal Romance, vampires, HEA]

The soul always comes home...

Ice queen Anastazia "Taz" Proctor is an aloof attorney, a "fixer." Hunky Matthias Hawthorne wants her for more than just an employee...much more. Will she believe him when he reveals their shared secret--that they're vampires, but that it's not the way Hollywood portrays them? Maybe not, but with someone out to kill her, she might not have a choice. She also can't ignore what her body tells her about her handsome boss.

An escape with Matthias to the safe refuge of Yellowstone National Park leads Taz to discoveries about her lineage and what she can do with her newly awakened powers. Even more disturbing is her unexplainable attraction to Matthias's handsome cousin, Rafael.

Time grows short as a traitor in their midst makes another attempt on Taz's life. Will she and Matthias survive when they're caught in a vicious showdown between Love and Brimstone?

Note: This book has been extensively revised. It was previously published with another publisher.
