María Ángeles Almacellas

**Seguir educando con el cine: Materiales para cine-fórum (Spanish Edition) María Ángeles Almacellas**  
**El cine constituye un instrumento educativo de primer orden si lo utilizamos con un método pedagógico adecuado**

Entonces se convierte en un inestimable recurso para ensanchar las bases de la formación humanística de niños y jóvenes y darles luz sobre temas de tanta importancia como la manipulación, el relativismo, el materialismo desenfrenado, cómo llenar la vida de sentido, etc. Si les ayudamos a captar la honda vida humana que encierran las historias que ven en la pantalla, aprenden también a interpretar la vida. Con ello les preparamos para prever las consecuencias de sus actitudes y de sus decisiones. De este modo, podrán evitar errores y riesgos, y estarán en condiciones de orientar bien su propia biografía.

Esta segunda edición de *Seguir educando con el cine. Materiales para el cine-fórum* quiere servir de apoyo para padres, profesores, animadores de grupos y cine-fórum, y ofrece, para ello, el análisis pormenorizado de 22 películas para distintas edades, además de un guión de sugerencias para la reflexión y el diálogo.
